

## Mortgage Broker Services

Calculated clients can now take advantage of our new mortgage broker services offered by Calculated Financial Services Ltd, part of the Calculated Group.

In the current mortgage climate we know a lot of investors will be nervous with rising interest rates and the prospect of further increases.

We can help you find the best mortgage for your property.

## Benefits to you

As your accountant and mortgage advisor we can offer a seamless service that saves you both time and money.

Our teams can communicate internally meaning less input from you.

Our integrated team working together ensuring you have the optimum solution for your portfolio.
