- **HMRC Investigation Fee Protection Insurance offered to new and existing clients from 1st April 2021**

From 1st April 2021 we will be offering new and existing clients the option to add Fee Protection Insurance offered through Vantage Fee Protect.

Vantage has been providing advice services for over 30 years to accountants and affinity groups, including the British Chamber of Commerce and FL Memo.

Look out for the email coming out soon with full information.

- **Move to Xero - Making Tax Digital**

We are no longer offering a spreadsheet bookkeeping option to new clients. All new clients will be added to Xero. This will ensure a smooth transition to Making Tax Digital compliance.

Existing clients who wish to move from the spreadsheet option to Xero should contact their Calculated Tax Consultant.

- **Inheritance Tax Consultations**

IHT Consultations will be added to the Calculated Consultation Booking System in summer 2021.

Look out for further details on how to book an IHT Consultation via the Calculated website.
